JOURNAL HOLDINGS REPORT - 1980

May 1980

Information Resources and Services Branch
Management and Organization Division
United States Environmental Protection Agency

Seventh Edition, 1980

Introduction

This is the seventh annual Journal Holdings Report of the library system of the United States Environmental Protection Agency Information Resources and Services Branch. It includes approximately 3,600 unique titles and 8,900 holdings records.

The report is arranged alphabetically by title. Underneath, libraries retaining the title are listed numerically by library code. The legend for these codes begins on the next page.

Here is a sample entry:
